

VaporClient Refund Policy

Introduction

Thank you for purchasing VaporClient. We strive to provide you with the best experience possible. Please read our refund policy carefully before making your purchase.

No Refunds

Due to the nature of digital products, all sales of VaporClient are final. Once the purchase is completed, we do not offer refunds under any circumstances.

Important Considerations

- **Digital Nature:** As VaporClient is a digital product, it is impossible to return or deactivate the software once it has been delivered and activated
- **License Activation:** By purchasing VaporClient, you agree that the license activation is immediate and that no refunds will be provided after the activation of the software
